COMMUNICATION
SUBMITTED WITH REQUEST FOR CONTINUED EXAMINATION
UNDER 37 C.F.R. §1.114

Dear Sir:

This Communication is being submitted together with a Request for Continued Examination in connection with the above-identified patent application. Please consider the following remarks in connection therewith.

The Request for Continued Examination submitted herewith is being filed to provide an opportunity for the Examiner to consider a reference listed on an Information Disclosure Statement filed March 25, 2005 (having been sent to the U.S. Patent and Trademark Office on March 21, 2005 via First Class Mail).

This Information Disclosure Statement was sent before the undersigned attorney was aware that the Office had sent a Notice of Allowance dated March 9, 2005 to Applicants' outside counsel. As such, the aforementioned Information Disclosure Statement was sent after the Notice of Allowance and therefore, apparently may not have been considered by the Office.

This March 25, 2005 Information Disclosure Statement is the document upon which the instant Request for Continued Examination is based. Since, however, the Information Disclosure Statement is already of record in this application, Applicants are not submitting herewith a further copy of the Information Disclosure Statement.

The Commissioner is hereby authorized to charge indicated fees and credit any overpayments to deposit account number 50-0496.

Respectfully submitted,

Paul A. Stone
